Pakistan leather glove exports, 2025 (2023: $271m)

**$104.5m**
Sold to the USA in 2025, the No. 1 market (+28% since 2023)

**$335m**
Total US leather glove imports, 2023 — the world's biggest buyer

## Key findings

- **Demand is real and growing:** Pakistan's leather glove exports rose from $271m (2023) to about $304m (2025).
- **The USA is the main market:** one third of Pakistan's glove exports go there, and sales grew 28% in two years.
- **Fastest growth:** Sweden (+44%), UAE (+42%) and the USA (+28%), 2023 to 2025.
- **Europe is steady:** Germany, Poland, the UK, Spain, Norway and Belgium buy every year, and Pakistan already holds 20–40% of these markets.
- **Untapped markets:** France, Japan, Italy, Austria and Czechia import $20–70m each, but Pakistan sells them under $5m — room to win new buyers.

World imports = total leather glove imports of that country from all suppliers. "–" = not in the top-20 importer pull. Share = Pakistan exports ÷ country's total imports.

## Opportunity markets: big buyers, low Pakistan presence

| Market | World imports 2023 (USD m) | From Pakistan (USD m) |
|---|---|---|
| France | 68.7 | under 5 |
| Japan | 63.4 | under 5 |
| Italy | 33.8 | under 5 |
| Austria | 23.0 | under 5 |
| Czechia | 21.0 | under 5 |
| Mexico | 22.8 | under 5 |
| Korea | 22.0 | under 5 |

These countries buy mostly from other suppliers today. A good price, CE/EN 388 certification and samples can open the door.

## Buyer checklist for a first glove order

- CE marking and EN 388 / EN 420 (ISO 21420) test report from an accredited lab (for Europe)
- Leather type: grain or split palm; cow, buffalo, goat or sheep
- Size set approved before bulk (S–XXL or 7–11)
- MOQ per style, per colour and per size in writing
- Lead time (often 30–45 days after sample approval) and FOB price terms
- Pre-shipment inspection before paying the balance

## Notes and limits

- HS 4203.29 covers leather gloves other than sports gloves (work, safety, driving, fashion and winter leather gloves). Synthetic, knitted or coated gloves fall under other codes (HS 6116, 3926.20) and are not included.
- Figures are as reported to UN Comtrade in US dollars. 2025 data is recent and may still be revised. Numbers are rounded.
